

SERVICE & CALIBRATION RETURN FORM

When returning instruments to Klipspringer for service or calibration, please complete this form and enclose a copy along with your consignment. This will assist in completing the work promptly and ensure that your instructions are clearly understood.

BOOKING REFERENCE <i>(as provided by Klipspringer)</i>	
Company name	
Postcode	
Telephone number	
Contact name	
Email address	
Purchase order number	

We will proceed according to the instructions that you have already given us but our technicians will not commence work without first issuing a quotation and obtaining your permission to proceed (unless agreed).

Return address:
Klipspringer Ltd,
Technical Centre,
Farthing Road,
Ipswich,
IP1 5AP

Notes section (should you wish to add further comment).

If we receive any instruments from your company in the future without specific instructions, would you like us to perform the work in accordance with the instructions given to us this time? e.g. calibration temperature points:

Yes No

Applicable to UKAS calibrations only: please indicate if you require the calibration label to show the calibration due date i.e. 12 months from calibration date:

Yes No
